

JaitraParna

TRADITIONAL EARTHY ESSENCE..!

SHRI AGROTECH AND
EARTHY ESSENCE LLP

Welcome to JaitraParna!

Established by “Shri Agrotech and Earthy Essence LLP” on 31.01.2026.

A firm dedicated to creating marketing opportunities for products made by our farmer community. We are excited to present our product catalog, where quality meets innovation.

VISION & MISSION

Our mission is to create sustainable market opportunities for the produce grown by our farmers, introduce them to modern agriculture technologies. We are committed to making wholesome, earth - inspired traditional food products readily available in the market.

Preserving our cultural heritage while empowering our farming community is at the heart of everything we do

WHAT WE DO

- Food processing and marketing
- Trading of Agri inputs and equipment.
- Agricultural infrastructure: Construction and Consultancy
- Training Program for farmers' community.

OUR PRODUCTS

Our commitment to providing you with the highest quality organic and farm-fresh food products drives everything we do. Each item in our catalog is carefully sourced from local farms, ensuring you receive not only the freshest ingredients and also free from synthetic additives and harmful chemicals.
